

## The Dalton Estate

### Wanted General Building labourer

**Job Description:** General Building Labourer. Full time, permanent role.

This is any exciting opportunity to work on a varied and interesting portfolio of residential and agricultural properties. The successful candidate must be versatile, flexible and able to get along with the existing workforce and client base.

They ideally will be multi-skilled and experience of working within the building trade. Having experience of traditional building methods and be able to adapt to modern methods of work is also something the Estate are looking for in this role. The ability to drive diggers, MEWP's and other construction related equipment is also desirable. Training will be provided where required.

Salary is based dependent on experience.

Your principal place of work is the Dalton Estate, South Dalton, Beverley, East Yorkshire or such other place as may be required by your employer from time to time. Working hours are 0800-1630 Monday-Thursday and 0800- 1530 on a Friday.

It is an essential requirement of your employment that you hold a current driving license.
